

## Report

### **Gift a pack of dry rations to families in Puttalam**

- Aim:** To collect donations during the Islamic month of Ramadan to provide dry rations to a significant number of families in the Puttalam area.
- Result:** On behalf of The Rotaract Club of Colombo's (RCC) annual 'Eid project,' Charity Apple successfully sponsored gift packs for over **57 families in Puttalam**, so that they were able to celebrate the festival of Eid at the end of the holy month of fasting. By the cut-off date for collections, the RCC had received enough donations to reach 85 families in total. The rations were then purchased and packed up in-store. The **26<sup>th</sup> of July** saw a lorry loaded with packages and 14 RCC members make their way to the Puttalam Urban Council. Families had already gathered for their arrival and they were audience to a few words from an RCC club member along with the Head of Council. The gift packs were individually handed out to one person from each family, with broad smiles from the Rotaractors and warm gratitude from those receiving their Eid gift.
- Transparency:** The food for each pack consisted of Flour, Rice, Dhal, Tea, Milk powder, Sugar, Dates and Fish Tins, which amounted to Rs. 3157 per pack. The total amount collected by Charity Apple was **Rs. 180,484**.

**Thank you for celebrating this Eid with them;  
it meant far more than just a wholesome meal.**
