- **Value:** 120,000/-
- **No. of Beneficiaries:** 26 families
- **Location** – Katugasthota
- **Brief Description of the cause and its completion with photos**

Many of these families are daily wage earners who make clay bricks for a living. Due to the Covid-19 pandemic and the implications of it, construction work had been restricted and there was little to no business for them. Making clay bricks is their only source of income therefore they were struggling to meet expenses for food and other necessities. Ration packs were donated to relieve their situation in the short term.
