

CareStation Project Report

Name of Project/ Cause:

Distribution of Covid-19 Relief Aid dry ration packs to 100 families involved in the Plantation/ Agriculture sector

Completion Date: 02/08/2021

Value: Rs. 200,000.00

No. Of Beneficiaries: 100 families

Location: Mannar, Sri Lanka

Brief Description of the cause and its completion with photos:

The 3rd wave of the Covid-19 pandemic has severely affected the lives of daily wage earners and vulnerable people of the agricultural and plantation sector. They are unable to cover their most basic needs including food, medicine and education for their children.

Following are some pictures of our beneficiaries receiving the dry ration packs.

Financials (Statements of expenses and copy of available bills attached.):
