

# Raise Funds for Baby Dineth's Operation

# Project Background

Baby Dineth Induware was born on the 5<sup>th</sup> of August 2014 with a Cleft Palate and Lip as shown in the image (the little ball outside is the gum that is rolled out) and is wait listed for operation - in 2 years time at the Lady Ridgeway Children's Hospital.

Dineth's father Ellege Upul is a 36 year old who works as a machine operator and earns Rs. 18,000/- per month. Kanchana Madhamuthie aged 29 years is a housewife and is the mother of Dineth. Due to their low income, they are unable to raise money to support their child.

Dr.Romesh Gunasekera pediatric plastic surgeon, Lady Ridge way Children's Hospital is willing to operate the lip along with the gum and part of the palate which can be performed now (at 3 months).

# Result

Charity Apple successfully collected Rs.200,000/- to provide Baby Dineth with the necessary care to operate. Stage one of his operation has been completed at Durdans Hospital Colombo on the 26/01/2015. The baby was admitted on 24<sup>th</sup> January and was operated on and warded in Ward 05. The actual cost of the operation was Rs.124,830/- . The balance amount is to be carried forward to Stage two of the operation. The next operation will be scheduled based on the baby's improvement in three months time.. Charity Apple hopes to raise funds for his next stage as well.

Upul and Kanchana are much grateful for all your kind donations to help raise enough funds to operate their son.

After the operation
