Educational Assistance to the war affected children of Puthukudiruppu RC School

Aim:	To raise funds to provide 30 children with stationery, school uniforms and shoes (including socks).
Result:	<p>Through Charity Apple, generous funders came together to donate a total of Rs 54,000/- for the students. This amount was used to buy basic school supplies which have now been received by the students.</p> <p>This initiative will lighten the many burdens faced by their families and after facing nearly 10 years of disturbance to their education due to displacement, this will serve as an incentive to regularly attend school.</p>
Transparency:	(Below is a table of the breakdown received by each student, including their family background)

"We know we can't solve every issue out there, but an opportunity to change one life is a step worth taking."

Thank you for taking this step.
