PROJECT BACKGROUND

Sathana is a young woman from the war affected area of Mullaitivu. With the help of a non-governed organization, Sathana was able to get basic training in operating a beauty salon and she has now gone on to set up a beauty parlour in Manipay, Jaffna. Sathana wishes to improve her parlour and strive further in this industry.

To help her on this journey, Navana Karunaratne has prepared to get on board and provide her with the necessary training. The cost of her International Hair & Beauty (IHB) course fee, parlour upgrade and transport to Colombo remain to be funded.

RESULT

With your generosity, sufficient funds were gathered to cover Sathana's exam fees, course material and a hair dummy. Charity Apple has successfully handed over Rs. 40,600/- towards helping Sathana complete her IHB course.
